

**NEW INFORMATION ON CLIENTS
AND CAPITAL EVENTS**

With the objective of providing more accurate information to shareholders of issuers whose shareholder registers are administered by DCV Registros and the public in general, new information related to the registry administration service and contributors has been introduced in DCV's new web page (www.dcv.cl).

Expedited access to this information has been enabled in the menu DCV Registros located in DCV's home page.

Among the information available is:

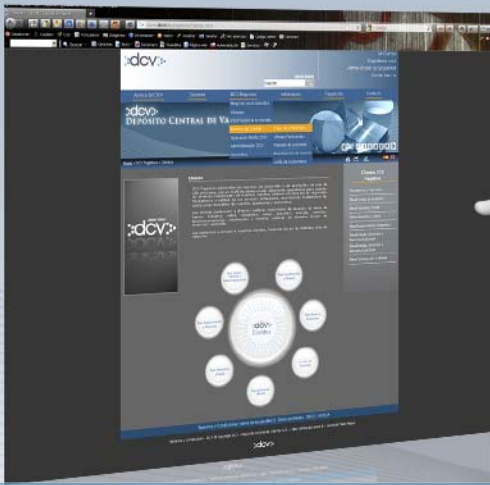

Clients Menu, a complete list of all DCV Registros clients, separated in seven areas, grouping companies by:

- Banking and financial area
- Investment funds area
- Industry and retail area
- Food and health area
- Entertainment and sports area
- Energy, utilities and telecommunications area
- Construction and mining area

NEW INFORMATION ON CLIENTS AND CAPITAL EVENTS

Capital Events Menu, which can be accessed from the upper menu, or from the carousel of images in the orange rectangle of the home page, which contains information on five of the main related capital events:

- Payment of dividends
- Preferential offers,
- Auction of shares
- Capital decrease
- Payment of dividends

This information is updated each week with regard to closing dates, payment dates, among others, along with information on the issuer. Moreover, a consolidated file containing all the historical information is available at all times in Excel format for whomever wishes to download it.

We invite you to check these links periodically, and hope you find them useful.
